RELATED EXPERIENCE

Prompt Engineer/UX Designer Intern

May 2024 – Present

WEHEAD, San Francisco, CA

- Implemented and refined over **15 AI avatars**, enhancing interaction accuracy and user engagement
- Designed web interfaces and integrated with **Azure/OpenAI API**, enabling seamless user control of avatars
- Spearheaded testing and analytics of AI conversations, achieving a **25% performance improvement in UX**
- Deployed and monitored WEHEAD devices at various locations, analyzing customer feedback for improvements

Teaching Assistant, Introduction to Java Programming

August 2023 – May 2024

Prof. Kallie Ziltz, Lehigh University, Bethlehem, PA

- Evaluated 50+** coding assignments per week, providing constructive feedback with average **48-hour turnaround**
- Held 2 office hours per week, assisting students with course material and coding challenges
- Graded and proctored students' exams ensuring **fairness** and **thoroughness** in assessment
- Fostered a collaborative learning environment, **encouraging peer-to-peer support**

Teaching Assistant, Applied Engineering and Robotics

August 2022 – May 2023

Prof. George Witmer, Lehigh University, Bethlehem, PA

- Supervised lab sessions and held office hours for up to **50 students**, focusing on troubleshooting technical issues
- Troubleshoot **45+ robots weekly**, maintaining an effective and well-functioning learning environment
- Devised interactive demonstrations, enhancing practical understanding and application of course concepts

Technology and Computer Specialist, Nablus, Palestine

April 2020 – April 2021

Nabtech Technology and Protection Systems

- Mastered hardware, software, and customer service skills through Geek Squad and tech support roles
- Acquired over **100 new customers** by effectively marketing the company and targeting preferred audiences digitally
- Troubleshoot customer problems, providing effective solutions and **increasing customer 5-star rating by 50%**

RESEARCH / PROJECT EXPERIENCE

Lehigh University Silicon Valley Social Impact Fellowship

January 2023 – December 2023

- Developed an interactive website with a map to guide food-insecure individuals to essential resources
- Established **15+ strategic partnerships** with organizations dedicated to providing food assistance to those in need, amplifying the reach and impact of the initiative
- Conducted field research in San Francisco, gathering data and insights on food sovereignty

Student Project Manager at Restored, Nablus, Palestine

January 2020 – April 2020

- Raised \$15,000** to install solar panels for **30+ households** in a remote village, improving their quality of life
- Accelerated the project timeline** from three months to one month by recruiting volunteers and donors

LEADERSHIP / COMMUNITY INVOLVEMENT

Vice President of Lehigh University Table Tennis Club

January 2022 – May 2023

- Organized tournaments that fostered community engagement, **increasing club membership by 167**
- Secured \$2,000 in funding** through sponsorship negotiations, enabling equipment upgrades and enhanced events
